Invitation to the Meeting of the Refugee Council on the Topic:

**End the Discrimination – No Vouchers any more all over
Brandenburg !**

Time: 7. September 2011

5 pm

**Place: Landratsamt Senftenberg, Dubinaweg 1
Room 512 in house 2**

In most of the Landkreises in Brandenburg refugees get cash instead of the discriminatory and excluding vouchers, that have been given out for years. Although the government of Brandenburg recommends to abolish the vouchers all over Brandenburg, in Cottbus, Oberspreewald-Lausitz, Oberhavel, Havelland and Uckermark refugees are continually discriminated by giving out vouchers.

We want to talk about the situation in this landkreises, the experience of activists and discuss chances for a common strategy.

Translation in English and French will be provided. For more languages, please ask early enough in the office of the refugee-council. So that we have time to organize.
